### **NOTICE OF VACANCY IN THE OFFICE OF PARISH COUNCILLOR**

Hayfield Parish Council invites applications to fill one casual vacancy in Hayfield Town Ward by co-option onto the Council.

Applications should be made in writing to:  
The Acting Clerk, Mrs Sally Fuller, Hayfield Parish Council Office, Dungeon Brow, Market Street, Hayfield, High Peak, Derbyshire. SK22 2EP  
(or via email)

by 12.00 noon on 3<sup>rd</sup> January 2012

### **The New Parish Council Website**

The Parish Council website is now up and running and further information is being added continually. If you have anything to add or update, please email [info@hayfield-pc.gov.uk](mailto:info@hayfield-pc.gov.uk).

### **Gritting**

The Parish Council are responsible for filling many grit bins in the parish but will not be involved in clearing footpaths this year. Derbyshire County Council have started labelling all grit bins in the parish to identify who is responsible for each bin although this has not been completed yet. The grit in the bins is for public use and not for private use and anyone found misappropriating grit can be prosecuted.

### **Middlefield's Path**

Derbyshire County Council have made great improvements to the Middlefield's Path which runs from Bank Vale up to Slack Lane in Little Hayfield making pedestrian access so much easier and allows Little Hayfield residents to walk into Hayfield avoiding the busy A624. This has been particularly welcomed by those families walking to and from the Primary School. However, since it reopened, there has been a continual problem with dog fouling and the Council would ask dog owners to be more responsible.

### **Finances**

The Parish Council is still looking into the previous year's finances and hope to report its findings soon. Spending presently remains within the amended budget approved for October 2011 – March 2012.

### **The Village Diary**

Residents are reminded that a village diary is kept at the Post Office where any village event can be recorded and any proposed event can be checked against other activities taking place at the same time. However, this diary only works if everyone knows about it and uses it!

## Thank you!

The Parish Council wish to thank those who have volunteered to help in many ways in the last few months. It is good to know the community spirit is alive and kicking! If anyone wishes to help voluntarily, particularly with the gardening, please contact the Acting Clerk.

## BMX

The BMX Consultation Event is planned to take place in January – please watch out for further notices. The Council would like to hear resident's views and opinions on this issue and it is hoped such an event will allow the matter to be discussed openly.

The Youth Advisory Committee (which initially proposed a BMX track) will meet on 26<sup>th</sup> January. This is an opportunity for anyone aged 11 – 18 to have a say in what happens in the parish and new members are encouraged to join in.

## Other News

The Council have a new Grounds Maintenance Assistant – Steven Quinn, who will be helping out over the winter months. One of his first jobs will be to plant a new cherry tree which has been kindly donated to replace the one at Dungeon Brow.

The Council are progressing plans to provide stone planters in Little Hayfield – an initiative from Little Hayfield Advisory Committee who hope the planted areas will improve the village and alert drivers that it is a village and not just a thoroughfare.

The plans to buy Bank Vale Football Field are progressing albeit at a slow pace and the Hayfield Community Sports Club is working more closely with the Parish Council.

The Hayfield Allotment Society recently held their AGM and reported a successful year with the waiting list being greatly reduced and plots being better maintained and used. Thanks go to the committee members and plot holders alike. Anyone wishing to join the waiting list should contact the Acting Clerk or Mr Pete Webb (Hayfield Allotment Society Secretary –tel: 01663 743816 email: petewebbgeo@yahoo.co.uk)
